

CERTIFICATE OF CONFERENCE*

On June 6, 1998, I conferred with John Smith, attorney for Plaintiffs, and he reserves judgment on this motion until he can examine it. Counsel for Plaintiffs agreed, however, that the deadlines in the accelerated scheduling order were not appropriate in this case, and he concurred that extensions of time were warranted for summary judgment motions and for discovery.

Jane Doe, Attorney for Defendant

*The Certificate of Conference may be filed as a separate pleading with the style and number of the case set out at the top. If the Certificate of Conference is placed within the Motion it accompanies, the Conference should be set out in a separate paragraph and clearly labeled.
